

## Jasmine Catrina Overli

June 23, 1993 - March 13, 2017

Jasmine Catrina Overli, 23, of Reno, passed away March 13, 2017. Jasmine was born June 23, 1993 in Reno. She is survived by her parents Scott and Danielle Overli of Dayton, her sister Aria Overli, her brother Morgan Overli, her best friend Jo-Lynn Heusser, and many beloved grandparents, aunts, uncles, and cousins.

Jasmine was fun, weird, kind, brave, and free-spirited. She lived her life in a way that brought joy to everyone around her and which was true to her spirit. Through her beauty, she made her friends laugh, gave her family strength, and fought bravely for years for her life. She loved people, and fought to protect them; she never allowed anyone to be cruel to another human being.

Jasmine loved to experience the world in whatever form she could. She was a Certified Open Water Scuba Diver. She played the harp and was a talented member of the Reno Video Game Symphony. She did Tae Kwon Do. She enjoyed archery. She was saving up to move to Spain. She loved video games and being with her friends.

Jasmine was funny, weirdly and beautifully funny. She always made everyone around her laugh. Everyone who met Jasmine loved her. Everyone wanted to be her friend. She was unbelievably kind and honest. Straddling the line between honesty and kindness is difficult for most people, but she did it with ease.

She is and will continue to be deeply missed.

“ Rest sweet angel. I'll always treasure being Grandma Lynne to you.

Watching you grow up, being invited to holiday and family functions was a delight. Watching you smile and play the harp with Ky and the orchestra on the water, was a memory I will remember always. You are in our hearts.
