We are deeply sorry to hear of the passing of Pat. Hadn't been around him much, but when we were he was always nice and welcomed us.  
May God Bless you and give you peace in knowing he is in a great place with his brother-in-law looking down upon you. Keep all those wonderful memories close to your heart when you are feeling sad.

“ Fondest memory of my Uncle Pat was back in the 60's and King of the Road was playing on the car radio. He turned it up and we sang along. I love that song and I loved Uncle Pat.
