

Rebecca Link

November 21, 1940

Rebecca Link was born in England on November 21, 1940. She was the oldest of four children in the Burningham family and spent her early years at boarding school in the English countryside with her dear sister Anna. Her sense of adventure led her to the United States in the 1960's with her friend. She fell in love with the West Coast and found the love of her life Ron Link whom she married in 1976. They were devoted to each other until his death in August 2014. With their love of the outdoor life and the mountains they made Tahoe their home for over 40 years. During the long summer school holidays they travelled all over the world. They were blessed with many caring friends and neighbors.

Becca was an exceptional teacher who had a fine feel for children with learning disabilities. She taught for well over 30 years in the North Nevada, Tahoe, region including over 20 years in Carson City at Bordewich Elementary School and lately at the Carson Montessori school. While living with the advancement of cancer, she has become an example of courage to us by maintaining her bright spirit through her suffering with the wonderful support of the Barton hospice staff, her school and neighbors. She kept us "singing in the rain". She leaves behind two brothers and their families, Tim and Claudia Burningham, Richard and Sabine Burningham, her step mother Grace Burningham, many nieces, nephews and cousins who adored her. Becca will always be remembered by her close friends for her kind and generous heart. Her smiling personality will be missed as she leaves for a special place in heaven.

“ Rebecca was truly one of the kindest women I have had the pleasure to meet. I worked for her and her husband Ron for about five years, as Ron's caregiver. They were both wonderful to work for. I will always remember them for their extreme thoughtfulness and how they were always so encouraging about my education. I grew to love them both very much and will always keep a very special place for them both in my heart. It was a wonderful experience knowing them.

“ Dear family of Rebecca Link: Please accept my sincere condolences and deepest sympathy on the loss of you're dear loved one. Death is such a tragedy for all of us. and when it touches us personally, it's sometimes difficult to find the comfort that we search for. Our loving Heavenly Father Jehovah, who is the God of all comfort, feels empathy for those who have felt the sting of death, and therefore promises to swallow up death forever and eliminate all pain and suffering. (Please read Revelation 21:4 & Isaiah 25:8) Jesus gave even more reason for hope at John 5:28,29 where he explains: "...all those in the memorial tombs...will come out..." As you read the above texts in you're Bible, may they give you hope and comfort , during this most difficult time. Again, my deepest sympathy. David Cowles

“ Becca brought happiness and love wherever she was. Now she will spread her love of life from heaven. She is at peace in her husband's arms and both are wrapped in God's loving embrace. Becca was beautiful inside and out. I will miss her contagious smile and beautiful accent along with her way of telling stories. May she rest in peace. Phenomenal teacher, person and friend .

“ Becca was an inspiration to me always. She never faltered in her faith and hope for the future.

She and I had some good laughs together as we traveled to Reno together for her treatments. It was always a privilege to drive her to her cancer treatments. I believe that she was every ones angel and will continue to hold a very special place in the hearts of all who know her. God Bless you dear Becca. Lovingly, Carolyn
