“ *Dear Ralph and Tammy,*

We are so sorry to learn of Anneliese's passing. She was a very vivacious woman and made a lasting impression on everyone she met. Take comfort in knowing many remember her in wonderful ways.

Peace to you and your family, Kent, Marie and family

“ I met your mom and dad in 1985 and fell in love with them. Your dad made my granddaughter Vanessa promise to never smoke when he came back from Germany and was on oxygen. Your mother told me of seeing Jewel Jacobsen's beautiful brown eyes when they first met. Your mom had so much zest for life. You just couldn't keep that good woman down. Your parents were always very gracious to me and I loved having toast and homemade jelly with your mom. I, too, miss her and her bubbly spirit. Thanks for allowing her friends to share this time of remembrance. God bless you and your family.

“ We are so very sorry for the loss of your precious Mother, she was such a good person. I got acquainted with her through Mrs. Elisabeth Feil. We had many enjoyable visits together, she was so fun and lively.

We appreciate so much also, that you became Earl's Dr. It meant so much to us.

Very Sincerely,

Paula McKie, and Family

“ We were blessed to meet Annalise (Oma) in June of 2009. She taught us that everyday is a gift! She had many happy memories that she shared with us! I know she enjoyed the last year with her friends. She was gone almost everyday and most evenings. One night she even went dancing till the wee hours! We loved her and will miss her very much. We will make sure to put up the Christmas lights with care this year in her memory. Dr. Herbig our hearts and thoughts are with you and your family!

I first met this very special lady some years ago when my sister Pat Garcia worked at the insurance office that managed their insurance needs. Please except my condolences.
