“ *Dear Karen & Rick:*

What a wonderful woman this world has lost. I will always remember with a great big smile the great time we all had together in Central City. So many memories going back to the very beginning, walking down the alley to your house and always feeling like I had a safe haven there. Please email me so I can send you my phone number. I don't want to miss the memorial service. My love to all, Nan.

“ *Hi Karen and Richard,*

I'm sorry for your loss. Bev was a wonderful person. I thought about her many times over the years. We had a lot of good times. We worked at Starcraft together and just hanging at your house. Please let me know when the services will be here. I don't always get the newspaper.

*Sincerely,
Janet*
