“ *I wanted to share my condolences with Josephine and the rest of the family. It is never easy to have to say goodbye to a loved one. The pain of loss can be unbearable. Our Creator promises us that one day this pain will be just a memory. That beautiful promise can be found at Revelation 21:3,4. Our pain and suffering will be a thing of the past, and we can cry tears of joy as we welcome back the ones that we love so much. Please find comfort in those promises and know you are in our thoughts*

“ Please accept my deepest sympathies for your loss. There is a void that cannot be replaced. The life insurance we buy is really preparation for death. But the life insurance Jehovah God offers is the destroying of death itself and all the things we can think of that causes it. He will do this through His Kingdom that His Son Jesus Christ is King of. We can gain comfort now through the Bible. And in the very near future we will hold our love ones again. We all will live happy healthy lives forever in exquisite delight and in an abundance of peace here on earth.

“ Dear Jo, I'm so grateful for having the chance to say farewell to Carrol a few weeks ago and to hold hands with you both as we talked of the old times. But we also talked of the eternity with God and Carrol was ready, once again mentoring me has he had done many times over the years, I will miss him dearly. Jo, I pray you find the strenght to lean into God's arms so that He can comfort you.
Love, Jim
