“ *Therese, Pete and Carmen - Evan and I were so saddened to hear of the loss of your boy. We have such fond memories of him as a little boy in Tae Kwon Do class with his big, shining eyes and his sweet, determined little face. We can only imagine the pain you must be experiencing, and you are all in our hearts with deep sadness. Vicki Beavers*

“ *Therese, Pete and Carmen, My heart hurts for you! I can not even imagine what you are going through right now! You are all such kind people. Christopher definitely was also, a kind soul. He truly wanted to help people that he saw as needing someone to look out for them! From what I can see the Shaw family has been a tight knit family who looks out for each other and have such love for one another. I want you to know that just because Christopher can not be with you physically he will always be with you in the way the sun peeks over the mountains in the morning and the way you see a rainbow in the sky after the rain has stopped. Cling to all your memories with Christopher and each other! Love, Prayers and blessings to you!*

“ *The Shaw's through my dental office. I was always impressed with this family. Pete and Therese raised two great kids. They were taught respect, and how to interact with adults, plus have a sense of humor. It was a pleasure knowing this family, and they have my deepest sympathy.*

“ As we have not had the pleasure of being around each other over the past 15 years, I will have to speak about our youth. You had a humbleness about you that could inspire the greatest of people. I know it inspired me even at a young age. You were smart and funny always putting others before yourself. The times at Ms. Zumpfts house acting like the ground was lava, and the best graduating Afro. You changed and influenced lives at such a young age, I wish I could have seen the lives you've changed sense. This world has felt the loss of such a great person. Till we meet again!!!

“ My deepest condolences to you Thérèse, Pete and Carmen. Heaven gained another young guardian angel. God took Christopher home early, as God needed to prepare him for his next job. A much grander job...to watch over all of us. To join the many guardians in heaven. God bless all of you, May he hold you in the palms of his hands and shield you from harm. Rest In Peace kind guardian, my nephew Christopher Roy Shaw. I love you ❤️

Therese, Chris and I went to kindergarten together and all the way through high school and even hung out after high school. You had a really good son and he was a good kid and he was a good man. I am so heartbroken to hear this news and I am just thinking of your family so much right now. I Shared this news with my mom and she is also thinking of you. I Just want you to know my heart is with you, God-bless you and your family

Thank you Laura, this is the most heartbreaking thing that parents can possibly endure. 😭 oh I volunteered in Ms. Weigles class and I'm so glad you got to hang out with Chris. He was a great person had so many friends and now leaves an emptiness in our hearts. I truly believe he is our forever guardian angel. God needed him much more. Your name sounds so familiar. Blessings to you as well.
