“ *Dear Georgette, Troy and family,
It was with deep regret that I just heard about Clete's passing. He
was among those my brother and I met on our first day in town 20
years ago, and he provided humor, wisdom and inspiration ever
since. He will be missed, and the memories of him cherished. My
deepest sympathy, and that of my family, go out to you all. God be
with you.*

“Clete and his family made some great lasting memories with my family (the Harrisons) when we lived on Beverly Drive in the late 1960s- early 1970s. He was such a happy, funny guy who loved people. He will always hold a special place in my heart. Peace be with Georgette and Troy...”

“Clete has been one of my dearest friends for more than 45 years and it has always been a bright time in my life when we have had the opportunity to re-connect. Though many miles lie between us, that friendship has never wavered. He will always be missed. The very best thoughts go out to the family. Ken Harrison
