“ My first memory of Uncle Dan was being thrown in his pool in Mira Loma by him. The beginning of many. My best memory is him filming my wedding in the 118 degrees in 94. Our thoughts and prayers for the family. Jeremy and Gloria and family.

“ Our hearts have been heavy since his passing. Dad was a man of few words however, when he spoke you listened. Im grateful for the what a true friend he was to my own dad then how special he always treated my mom when she would go visit mom Linda. We are so sad that we won't be able to make the celebration of life. Hugs to you all. All our LOVE.
