“ *I will truly miss Dave from our place here. i first met Dave I think around 1993 when we both worked together. at first i could never figure out where he was coming from with that growly voice. i thought wow this is kind of a mean guy. But later i found Dave to be a kind and caring person. we have worked together off and on for about 28 years now and i was glad to talk with him about Jesus Christ our Lord , and that he had accepted Him in his life. You are now In glory with our Lord Dave, I will see you later Dave. Thank you for the time we had together. your friend in Jesus, Mike Verdicchio*

“Dad I'm going to miss you more than anything. You were the best daddy any girl could ask for. Life will never be the same. I'm I'm thankful for 45 years of the Best memories. May you finally rest in peace with no more pain in your bones. I know you're looking over all of us. Please give my Aunt and Uncles and Grampa up there a hug for me. I cannot wait until I get to see you again. Love Jamester.
