“ *I was so lucky to have such a loving, caring, supportive, fun, and admirable grandpa. In fact, I can't imagine a better one. He had the best laugh and the best smile...and the best advice. He took me on lots of adventures...we would sing obnoxiously the entire way and drive grandma nuts. He helped me with anything and everything whenever I needed it...There really aren't words. He was just the best. I loved him so much and will miss him always.*

“ *Our little family always referred to Ed as "Neighbor". We will miss seeing Neighbor's truck drive by as he ran errands, and will miss hearing him tinkering away on his many garage projects. Neighbor has been a neighborhood fixture as long as we've lived here, and it won't be the same without him. We send our heartfelt sympathies to his loving family.*
