“ *Jacquie, I remember spending an evening with you at the Veterans Guest House just before your husband died. I know that you shared a very special relationship. I send you my deepest sympathies. I was headed to R.I. to celebrate my mom's 90th birthday while my husband stayed in the CLC at the VA Hospital. One week after I took him home, he passed away. I will miss him terribly as I'm sure you are missing Floyd.*
