“ *What a spunky lady she was! I have known and loved her for 70 years and just expected her to be here forever. She knew all our family history and I often asked her many times about events and people that occurred when I was too young to remember. Her mind was very sharp. We had fun family times together. When she, my brother, and Sandy moved west we were very sad. We had good visits after that, though, the last one being July, 2018 in Carson. I'm so glad that my brother married that cute little redhead. She was a wonder sister-in-law and I will miss talking and laughing with her. H.k. And Jim*
