“ *Uncle Jack was so special to me. I remember when he was young (but older than me) and lived with us until he and Granny moved to California. He was like a big brother. Fond memories. All the family together now. Rest in peace. Sympathy to the family. Linda Herr*

“ When I was a little girl, Uncle Jack was just fun to be around. I remember when he married Aunt Mary and how they were always smiling and laughing with each other. He was my grandmothers baby brother and she loved him very much. I cant even imagine the family reunion in heaven.
Lots of love for my cousin Kim.
