### Last Ride Home

It was his last ride home  
I heard him say  
but your plans have changed  
he cannot stay  
The path he takes  
is a path that's new  
and he'll leave his love  
at home with you  
It was his last ride home  
he's on his way  
you'll get to see him  
another day
