

## James Lloyd Westfall

April 1, 1935 - July 29, 2025

Jim was a veteran of the United States Army and employee of Midland Ross Grimes and Bruce Industries. He married his high school sweetheart, Phyllis and they shared over 70 years together until her death in April 2022. Phyllis and Jim raised three wonderful children, Brian, JeanAnn and Greg. Jim was “country strong”, a hard worker who took pride in all that he did, but nothing meant more to him than his family. He loved spending time with his family on the beaches of Florida and Lake Tahoe, playing with his grandchildren and great grandchildren, always being their biggest cheerleader. Jim worked tirelessly in his yard to keep it in pristine condition year-round and found happiness in mowing, planting flowers and trimming bushes. His front porch was his sanctuary where he spent countless hours visiting with family, friends and neighbors. Jim was genuine and a friend to everyone he met. He was known and loved for his compassionate, caring heart. Jim also had a great sense of humor and enjoyed playing jokes on people just to bring smiles and laughter. Jim is survived by his three children, Brian (Dorothy), Jean Ann (David), Greg (Jean); seven grandchildren; and three great grandchildren. Jim is preceded in death by his wife, Phyllis, his parents, two brothers, Donald and Phillip and his sister, Mildred.

“ Our sincere condolence to you and your family, JeanAnn. You are so blessed to have such great parents. Your Dad was very special and sweet, always friendly and kind. They were the best neighbors, and we always loved how your Dad kept his yard and garden like a park. He will be so missed. Our heart, love and prayers go out to you and your family during this sad time. I can imagine your mom & dad sitting on a porch in heaven right now...Love, Larry & Elaine Marriott

You and Larry did so much, cared and loved our parents. They spoke highly of you both. And then... Larry came over and worked on daddy's yard after his eye procedure recently. It made daddy so happy. We all know he loved his lawn.  
We had the best neighborhood... EVER. My love and best until we see each other again.

“ My husband Scott and I have spent time in Lake Tahoe for many years. Since his son Greg became our brother in law, we loved getting to know Jim and his family. After buying our second home in Incline Village in 2005, we did our shopping in Carson City and loved taking the opportunity share a meal with Jim. He was always a Joy to be with, always interested in our trips, children, and grandchildren. He was so much more than a “relative by marriage.” He was a dear friend! We will miss our chats with him and most definitely miss his infectious smile.

Daddy loved his neighbors and did momma. Our neighborhood has the most caring people. You driving, riding or running by made daddy smile. He loved his front porch and waving to all his dear friends. Thank you for caring so genuinely to our parents. They knew they were loved and cared for by many others than just their children, grand and great grandchildren.
