“ *It does not seem possible you've been gone for 6 years. The boat goddesses all miss you so much. You are still with us whenever we gather. We love you.*

“ A friendship of nearly 20 years leaves me with so many fond memories of Jane. Our trips to the Bay Area to tailgate and watch 49er games; Giants baseball; attending the Beach Blanket Babylon production and the Pacifica Fog Fest with Jane L are but just a few of the many memories I have. Some of my fondest memories are our annual boat trip on Lake Almanor. What a time was had by all. For the past 4 years our annual gathering was in Reno still having a wonderful time gathering with a group of long time friends. Jane will be missed at our future gatherings, but we not be sad, but will celebrate the good fortune of having had Jane in our lives. Condolences to Jane's family. She spoke often of all of you and loved you all very much.
