

Janey Ann Muccio

April 3, 1950 - March 8, 2014

Janey Ann Muccio, 63, died on Saturday, March 8, 2014.

Janey was born to Clara Gigante and the late Louis Muccio on April 3, 1950 in Paterson, New Jersey. Janey graduated from University of Nevada, Reno with a Masters of Arts in Education in 2009.

In 1988, Janey and her children moved to Incline Village, NV. For nearly 10 years, Janey worked as a general manager in several local restaurants, including: the Employee Café, the Sierra Café and Ciao Mein at the Hyatt Regency, Lake Tahoe. Janey went on to teach 8th grade Social Studies and Leadership at Incline Middle School until her retirement in February 2014. Her dedication and passion for teaching culminated in the many (local and global) acts of kindness exhibited by her students. Janey motivated them to respect one another – to be global citizens – to empathize with and serve a cause – and to reach their potential. Her humanitarian activism extended beyond the classroom as a supporter of causes to inspire collective oneness, like Humanity's Team, the Declaration of Commitment to Indigenous Peoples, and the Center for Civic Education, among others. But, it was Janey's children and grandson who inspired her best self as a mother, worker, teacher, student, and role model. With all that she did, she never tired of also being a dreamer, with a deep faith in the potential of humanity. Janey's spirit and legacy will continue on through her students, her family, and those whose lives she

touched.

Janey joins her brother, Robert Muccio, and her beloved father, Louis Muccio. She is survived by her mother, Clara Muccio, her brother, Anthony Muccio, two sisters, Lois Wilk and Jill Zangrilli, her daughter, Danika "Nikki" Tynes (husband Frank Woodson), son, Reginald Tynes, one grandson, Alex Tynes, and many beloved family and friends.

“ I was in tears for 4 weeks because my husband said he wants a divorce i was so confused and heartbroken. Until a very good day when i heard of Dr Ajayi, i read some testimonies on his site how he was able to reconcile broken relationships so i decided to give him a try. I contacted him and he told me things that needed to be done for him to cast a spell, at first i was contemplating if i should do it, and i made up my mind to give it a try. i did what Dr Ajayi the spell caster told me to do, then not up to 7 days interval out of nowhere my husband who left me without any reason came to back home one evening and was begging to have me back, he even came with his brother and pleaded for forgiveness. After so much pain I passed, my husband still came back, i am so happy. all thanks to Dr Ajayi, you can contact him for any kind of spell work. “ Me and my husband have been married for over 10years, we have 4 kids together, we have a stable source of income, a comfortable house of our own... to mention but a few. Early this year, he lost love for me completely. I have never experienced such in my life even at my youthful age. It was as if we are enemies living together. I was surprised that he based his actions to an issue that occurred before our marriage (I cheated with my ex). All my attempts to prove my loyalty and endless love for him were fruitless until I contacted (via robinsonbuckler (@ hotmail). com) on May 30th, 2019 at 10:19:05 PM EST. Something spectacular happened, it was as if Robinson buckler installed a new operating system into my husband. He became fresh and loving again. I am so grateful that my previous sins have been forgiven and forgotten after the love spell. I am thankful to the creator for leading me into the warm hands of Robinson buckler when my family almost tore apart.

“ When I found Dr. Paul I was in desperate need of bringing my ex lover back. He left me for another woman. It happened so fast and I had no say in the situation at all. He just dumped me after 3 years with no explanation. I contact Dr.Paul through his website and He told me me what i need to do before he can help me and i did what he told me to, after i provided what he wanted, he cast a love spell to help us get back together. Shortly after he did his spell, my boyfriend started texting me again and felt horrible for what he just put me through. He said that I was the most important person in his life and he knows that now. We moved in together and he was more open to me than before and then he started spending more time with me than before. Ever since Dr. Paul helped me, my partner is very stable, faithful and closer to me than before. I highly recommends Dr. Paul to anyone in need of help. So, i searched for help everywhere but nothing worked out not until i meant Doctor Oku who i contacted online. I explained my situation to him and he promised that my husband will get back to me within 24 to 48 hours as far that my heart still beats for him. “ i want to use this medium to testify of how i got back my ex husband after divorce, i and my husband have been married for 8 years with 2 kids, we have been a happy family. Last year his behavior towards me and the kids changed, i suspected he was meeting another woman outside out marriage, any time i confronted him, he threatened to divorce me, i did all i could to make hings right but all to no avail until i saw a post on a "love and relationship forum" about a spell caster who helps people to cast spell on marriage and relationship issues, when i contacted this spell caster via email, he helped me cast a re-union spell and my husband changed and came apologizing to me and the kids. “ What an amazing person! I have known Janey since 1990, and have been blessed to have her son, Reginald, as one of my closest friends who has always been there for me - through thick and thin. There is no doubt in my mind that Janey is amongst the Angels now. She will always be remembered.

“*Janey Muccio, was a very special and gifted woman. She thankfully shared with those who came into her life herself and her talents. Her love for life and her deep dedication to her students was a shining light. She so loved her family and was joyous over Alex. Our deepest sympathy. Jim, Linda and Jordan Cronin. Jordan was one of her students at IMS.*

“*Janey, the only thing harder than living life without you, is living life never knowing you at all. We are blessed to have been on this adventure with you. You are missed everyday, but your wisdom will remain with all of us. You are one of a kind, and I know you will continue to guide us from afar, and encourage us to continue walking on our paths. “ Thank you, Ms. Muccio for being more than just a teacher. You were a cheerleader, an advisor and perhaps a psychic. You gave me my first detention in my school history and also told me I would one day be the President of the United States. It's amazing what people will do when someone believes in them. You will forever be in my heart.

“ what a wonderful woman this was. She truly helped shape the person I am today and left a permanent impression on the life I am grateful to be living. Thank you Janey for your contribution of love, wisdom, and encouragement to so many. You will always be remembered by us. I remember the time capsule you had us make in 7th grade and envisioned one day opening it with you and how we would laugh. Thank you

“ My condolences on your loss of Janey,
The pain of losing a loved one can be overwhelming.

Our heavenly Father promises us that very soon he will 'swallow up death forever, and wipe the tears from all faces' Isaiah 25:8.

What a wonderful future hope that is.

“ Dear Jane:

My fellow Indigo Scout! When I was only 10 when I chose you as my spiritual guide, my Confirmation sponsor. You helped me at a young age find my spiritual path on earth. Traveling to the beat of a different drum. Then, at midlife, you returned...you came and spent a week at my mountain retreat in Colorado, helping me once again, to transition to focus on my purpose in life. Last Saturday, you were sitting on the park bench at the T in Brookline...I told my daughter..."Anna, that's our cousin Jane"...as I went towards you, the face changed...yet I was so certain it was your contagious smile I saw. I did not learn until the the following day, that you had died the day I saw you. I am not surprised that you shared you were ready and at peace before passing on. So now, I feel you have come again in spirit to help me transition...from midlife to Elderhood. I feel enlightened about my path and purpose at this stage in this lifetime. I am comforted and grateful.

*Love and Peace,
Robin*
