

Jayden Santiago Villanueva

February 18, 2009 - March 19, 2024

Jayden Santiago Villanueva, age 15, passed away peacefully surrounded by family and friends on March 19th, 2024, after a difficult battle with leukemia. He was a sweet, humble, and gentle soul born on February 18th, 2009, in Carson City, Nevada to loving parents Jackeline and Francisco.

Jayden was a bright and compassionate person who touched the lives of those around him with his infectious laughter and kind heart. He graduated from St. Teresa of Avila Catholic School in 2023 and was currently attending Bishop Manogue Catholic High School. He was beloved by his friends and teachers for his easy-going nature and loving personality. His friends remember him as someone who could always make you laugh, was a great listener and a loyal friend. He had the biggest heart; a great sense of humor and he valued friendship over everything.

In his free time Jayden enjoyed playing sports, building Legos, and he was an avid gamer, but he received the most joy in arguing with his 5-year-old sister Khamila. He had a deep love for his family, he was a great brother and cousin, and he was always eager to lend a helping hand to those in need.

Jayden will be deeply missed by his family and friends. He is survived by his mother Jackeline, his older sister Natalie, his younger sister Khamila, and a large loving family. He will forever be remembered for his warmth, humor and

unwavering kindness.

A mass to celebrate Jayden's life will be held at St Teresa of Avila Church at 10 am on Saturday April 6th. A viewing will be held on Friday April 5th at Waltons Funeral Home in Carson City from 2 -4:30 pm. For anyone wishing to donate, the family requests that all donations be made to the Northern Nevada Children's Cancer Foundation in Jaydens memory.

May his gentle soul rest in Peace.

“ Unfortunately, I only got to know Jayden and his mother after he had been diagnosed with leukemia. I am so so sorry that he ultimately did not survive complications of his cancer treatment.

Over the last few months, Jayden impressed me tremendously with his courage and maturity. Jayden (with constant and capable support from his mother) did everything in his power to survive.

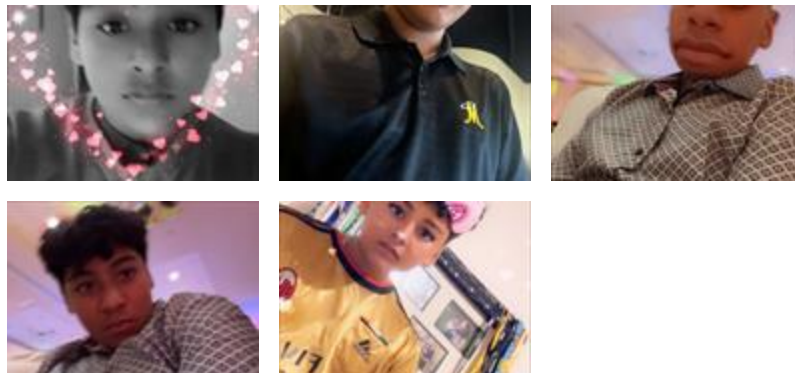

Looking at these photos, I wish I had known Jayden before his illness. I could tell he was a remarkable young man and these photographs just confirm that impression. I hope that, over time, his friends and family will focus on the many happy memories of time spent with Jayden. I know that I will never forget him.
