“ *My family and I would like to express our deepest sympathy over the loss of Jean.
May you find comfort in your loving memories and the warmth of family and friends. A scripture that has uplifted me during times such as this is found at Revelation 21:4. There it describes a time when death and pain will be gone forever after God restores his original purpose for the earth. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time as well. Once again, please accept our condolences as you deal with your loss*

“ Jean,
We became friends so many years ago at church.
We walked through our divorces together, leaning on one another
for support and strength.
Your humor was witty and your joy for the Lord infectious. You
displayed strength with your illness and fought valiantly. Now at
peace you leave behind loved one who will miss you. But we will
one day meet again and dance with the Lord.

*Prayers and blessings for comfortt
To you Jeans family and friends.
