JODETTE LEE WOJNA

October 23, 1961 to August 13, 2021

Jodette Lee Wojna, 59, of Carson City, Nevada, wife of Edward D. Wojna, passed away on August 13, 2021, at the Carson-Tahoe Regional Medical Center after a brief illness. Born in Phoenix, Arizona on October 23, 1961, she was the only daughter of the late Joseph and Donna (Roth) Vellutato.

Jodette graduated from George Whittell High School in 1979. She attended Brooks College of Fashion Design in Long Beach, Ca., receiving an associate degree in Fashion Design. She worked at different jobs in the fashion design and modeling industry. She also worked in the construction and landscaping industry. She found great fulfillment in all those endeavors.

Jodette was an avid skier, skilled artist and enjoyed sports of every kind. She enjoyed keeping the yard of her Carson City home of 20 years well-manicured each and every year. She used her talents well in the custom interior design of that home.

Her generous and giving spirit were evident to all she met. Most of all, she found great inspiration in her worship of The God of The Bible, Jehovah. She

always took the time to enjoy and ponder His creation, which left her in awe. From viewing Lake Tahoe from a high vantage point to a sea level sunset, her faith was always strengthened in God's promises for our future. That God gave her the power beyond what is normal in the courage she displayed at the end of her life.

Jodette was a wonderful wife and shared a beautiful life with her loving husband. She is survived by her beloved husband Edward of 36 years, her brothers Joseph J. Vellutato of Carson City, NV., James Vellutato and sister-in-law Lorrie (Provost) Vellutato of Topanga Canyon, CA., niece Dominique Vellutato of North Hollywood, CA., and nephew Michael Vellutato of Playa Del Rey, CA. She was predeceased by her brother Daniel Vellutato.

A small family service will be held at a future date. We appreciate the overflowing love and support we have received at this exceedingly difficult time.

“ Jodette and her husband were very kind. Jodette used to be my Bible study teacher when I was a young teenager living in Santee. I never forgot her. She was always so kind and gave me the time and listening ear I needed as a kid. Her great sense of humor was one of the things I loved about her. I'm sorry to hear of her passing. I hope the memories of her help heal your hearts.

“ I had a class with Jodette at Whittell. While I didn't know here well, she always seemed friendly and very poised. My condolences to her family and friends. -Jeff Conway

“ Jodette and myself would always go fishing back home in the Santee, Ca area when both her & Ed lived there. We would laugh and get scared at all the different noises at night while fishing...we were especially afraid when the bull frogs started in. We had no idea what creature was making that loud deep noise...but we stuck it out and continued fishing . She loved fishing. We had such great times together. I will see you again, Jodette, in the glorious New System..Until then, My Friend! Much love!💜
