“ *I miss you Mom so much. I hate that your life was not filled everyday with love and gentleness. I hurt looking at your picture knowing I was not there the last 2 years of your life but I know you understand. I wish Mom you would have married Gary....none of us would have had to suffer because we wouldn't have been born and you wouldn't have died so early. I love you and miss you and I hope you are with Jesus so one day I will see you again.*

“ *rest in peace aunt judy, so sad that I only just saw this today a little to late to go to the services and thats very sad, no one could call me and tell me when these services where going to be?? shame on you renee' and uncle george, thats what my father would have said and you know it, lol, just thought I'd give you something to think about, like he would have. you know how strongly he felt about funerals. so in honor of my father i will speak again for him, he would of said "rest in peace Judith, finally you now have peace."
