

Judith D Rand

March 8, 1943 - March 4, 2014

Judy Rand passed away peacefully on Tuesday, March 4, 2014 at her home in Virginia City. She lived and worked in the Carson City area for the last 35 years, born and educated in Oklahoma.

Judy, a gifted kindergarten teacher, dedicated her life to her students at Bordewich/Bray Elementary School. She will leave a legacy to all the young “buttons” whose lives she touched, starting them on a special life path through the Kindergarten experience in her classroom.

Judy, a heart person through and through, was a treasured friend to many. She loved the outdoors, spending a lot of her free time in the Graeagle/Calpine areas and in recent years rode her Harley Davidson with Will, her fiancé.

She is survived by her two sons Christopher and Dustin, her partner, Will Luedke and two brothers and a sister. Taken from us too soon, she will be truly missed by all her family and friends.

In lieu of flowers, donations in her memory can be made to Virginia City High School, Attn: Quilt Program, P.O. Box C, Virginia City, NV 89440. After her retirement with the Carson City School District, she was a substitute teacher at Virginia City High School whose students became dear to her heart and

especially the positive benefits for students provided by the Quilt Program.

A private burial for family at the Satley Cemetery in California's Sierra Valley will be scheduled at a later date.

“ *Dear Family & Friends of Judith,*

I am so very sorry for your loss and it is my prayer that you can find peace in knowing that Jehovah God promises to swallow up death forever, and wipe the tears from all of our faces that are the result of such painful losses such as yours. Isaiah 24:8

Sincerely,

Helen

“ My thoughts and prayers are with your family. You were such a good teacher! My boys, Josh and Chris Crevling were your buttons. We loved you so much. I loved working in your class. It was a pleasure to know you. I thought of you every year on your birthday, I just happen to have a grandson born on that special day. Thank you for all you did and letting every child that came in your class know that they were special, loved and they were a can do kid! You will be missed by all who knew you.

“ Judy - you were the best kindergarten teacher. I remember coming into your classroom bringing Smokey The Bear and Sparky the Fire Dog. You could tell the children loved you. You always called them "Little Loves" Those were the special times in my life. Now you are up in Heaven watching over the "Little Ones" - bless you for your love for children. You made a difference in each of those special little ones. Thank you for your sweet and loving spirit.

“ *It's more than difficult to comprehend that "full of life" Judy is gone from among us. She was exuded caring, knowledge, compassion, organization, efficiency, helpfulness, skill and laughter. She was an absolute joy to work with during my years at Bordewich Bray. I am so deeply sorry for Will, Chris and Dustin, as well as all of her family and friends. She is an example to all in the ways that she gave from her beautiful and caring heart. Thank you, Judy, for the happiness that you brought to all of us who knew you and we'll look forward to being together again in God's home.*
