“ *Such a big name for such a little guy.
Your momma must have had big dreams for you both.
This morning I rescued 3 wild native Lantana butterfly plants.
Wild, native and hardy.
Their flowers are tight lavender, pink and golden bouquets.
I also lost a son in my womb.
While I was giving these plants a new home, I hope you do not mind
my familiarity, I said 'Kenny', 'Nathan' and my 'Michael'.
When the sun breaks tomorrow's dawn ... may it lighten your heart.
Blessings.*
