“ *I did not know Kenneth personally but feel as though I know the entire Webb family through my research of his father, Aubrey Webb, Jr.. Aubrey lived in Jarbidge, Nevada, where I have a summer home. Aubrey is well remembered in Jarbidge for his kindness to the town children. If anyone in Ken's family has a photo of Aubrey (or of his father Aubrey, Sr, who also lived for a time in Jarbidge), I'd love to have a copy.*

“ I worked with Ken in 1980 at NSP. He was a mentor to so many staff. He was very brave and courageous in a couple of incidents I was involved in with him.

He always led his staff and was very concerned about staff safety. His humor I will miss as he always made you laugh. God bless Ken you were a great man.
