

Kenneth Thomas Uber

April 1, 1956 - May 29, 2024

It is with extreme sadness that we share the passing of our dad, Ken Uber, also known as Mud Man & Pebble Pimp, who left us on May 29th at the age of 68. Surrounded by his loving family and friends in his final moments, he passed away holding his daughter's hand listening to Simple Man by Lynyrd Skynyrd.

He was a man of wisdom, endless humor, and the best one-liners ever. His passion for BBQing, fishing, camping, knives, guns, ammo, and cement will always be remembered but deeply missed. He is survived by his beloved granddaughter Callie Ortega, his treasured children Loren Uber, Cliff Uber, Kendall Ortega and his son-in-law John Ortega, his siblings Marty Uber, Aline Uber, Geil Uber, and Mike Uber, and his loyal friends.

We will all continue to honor his legacy by sharing our memories of him and doing all the things he loved in his life. Our dad, Ken, will be forever missed but will continue to live on through his children and grandchildren. Lost but never forgotten. We love you dad! A celebration of life will follow later this year. Email us at dad@theuberco.com if you would like to celebrate his life with us.

“ Kenny was my cousin and I loved him very much! He lived with us Simpsons during the Summer of 1970, I think it was. He introduced us to his stack of 45's and we listened for hours to music with him. And later when the Ubers lived in Three Forks he would play me his Cheech n Chong albums! We had some good laughs. God bless all of you kids! I'm praying for you!

“ So sorry for your loss! Your dad was an incredible mentor to me when I was learning concrete. He was most proud of his kids and his bbq skills!
