“ *I was so shocked and saddened to hear about Kim's passing in today's paper, 9/29. I met Kim and Karen in 3rd grade and they were my best friends for several years. They were such a big part of my growing up years that I will never forget their giggles and great friendship. My heart is heavy remembering Kim and wish I could have been there to pay my respects at her memorial service. Rest in Peace, Kim, with forever memories. Dianne*
