

Mark Andrew McVeigh

March 18, 1947 - June 12, 2021

It is with great sadness that we announce the death of Mark Andrew McVeigh (Carson City, Nevada), born in Oakland, California, who passed away on June 12, 2021, at the age of 74, in a fatal motorcycle accident while riding with his buddies of the CVMA on Geiger grade, near Lousetown Rd. Virginia City / Reno.

As a 22-year Army Veteran CW3, Mark proudly served his Country for 22 years, including 3 tours in Viet Nam and flew as MEDEVAC helicopter pilot while there. He was a member of the American Legion Post #31, Elks #2177 and the EAA 403. Mark loved telling and pulling jokes on his friends and loved passionately.

Mark died doing what he enjoyed. He loved his motorcycle which was previously his son's and Mark's EH&S work was his passion – not a “job”. He also operated his own “Business Safety Concepts” as owner / consultant in Salinas, CA and Carson City, NV.

Leaving to mourn Mark is his wife Diana of 20 years, his son Marc McVeigh of Prundale, California and daughter Nichole Wallace of Salinas, California by a previous marriage, four grandchildren Shawn, Samantha and Emma McVeigh and Kyle Wallace, and hundreds of friends, family, work family and associates.

Internment of Mark's ashes in the Seaside Military Cemetery, CA are being planned..

For those who knew him, he has burned a hole in our hearts to be forever remembered and will be tremendously missed.

You may leave a sympathy message to the family on the memorial page of Mark Andrew McVeigh to pay them a last tribute. You may also light a candle in honor of Mark Andrew McVeigh.

I am a fellow associate at Mark's last job. I found out that Mark and I are both Veterans of Vietnam. So that makes him my Brother. I enjoyed seeing Mark every morning and we would say something to each other to bring humor to the morning. Mark and I share the love of flying helicopters and riding motorcycles. The morning of his passing he was very happy and looking forward to the ride. To the family I send hugs and love to your hearts. May God bless you all right now during this sad time.

*Bob,
Thank you so much for your sentiments and well wishes. I know he enjoyed his time at aAUECC very much and enjoyed working with the employees too. I'm so very glad he was able to find common ground with you. My heart swells at knowing how happy he was that morning. A memory I will hold onto.*
