I loved this man with everything I had. We had 8 great years together and made lots of memories. I miss him more than you could ever imagine. Everyday is a new battle of trying to live knowing you are not gonna pop up at my door and say let's go to the thrift shops :- (I will always love this man until we meet again, one day on the other side.

“ My uncle Matt was the life of the party. Always listening to music and laughing. It was him and my other uncles that introduced us to 80s movies. Memories of playing baseball in the yard when my grandma lived in perris. My uncle Matt lived life no matter what...a life of ups and downs and also recognized the parts he played. Taking accountability yet always striving to be better.. the hardest worker, the biggest heart. Even though your not physically here.. you know where to meet me. Love always your niece Andrea

“ Matthew loved being with his family, being silly, and laughing. Never a dull moment. He was a hard worker and loved what he did.
