Mayone "Toni" Crowell

On February 4, 2021 the world lost an angel. Toni Crowell passed away peacefully in her home with her beloved husband of 50 years at her side. Her death was preceded by her parents Raymond and Helen Maxwell and her brother Albert Maxwell. She is survived by her husband Herb Crowell, daughters; Kate Tretheway, Christine Cage, Andrea Crowell, her brother Karl Maxwell and many grandchildren, nieces and nephews.

Toni was born in Utica New York where she began her life on a farm tending milk cows, raising chickens for the 4-H club and playing basketball with her brothers. She earned a Bachelor degree in nursing and joined the army. Toni was honorably discharged as a 1st Lieutenant in 1969 and stayed active in the reserves until May of 1972.

Toni married the love of her life in May 1971 and began the journey of raising a family. As a wife and mother she dedicated herself to nurturing her family through the pleasant summers and harsh winters of Tahoe. Toni and Herb moved to Minden in 2000 where she lived for her remaining years. Toni was a dedicated nurse and retired in 2015 with the honor of an outstanding nurses of achievement award for her many years of service. Everyone who knew Toni new her open door policy in her home as well as her family style cooking. All who came left with a full belly and an even fuller heart. She will be deeply missed by all.

She left us with this prayer;

O Lord, please smile upon my home and all who dwell within, or simply visit for awhile. Grant us your protection and care in tranquility, love and peace and bless and keep us all.

“ Toni was amazing!!!! It is so sad I was looking at someone else and noticed Toni on here. I just want to give a story a story that changed my life, and made me into a much better person. I was a manger at Carson Tahoe with their security team. Myself and a few other individuals decided to play baseball in the therapy room around 1 a.m. when we received a call from Toni. She informed us there was someone causing issues and a lot of noise in the therapy room. We all had to open the door to see Toni...and a ton of other staff looking at us. She came in searched the place and asked us what happened. One of the other security officers lied to her, but she let it go. Later that night I let her know what was happening, and her response was "Boys will be boys, don't let it happen again." She could have had all of our jobs and she chose to be a mom to us and understand. I still think about Toni often, and how such a wonderful lady was put into my life at the right time. I know God has a special place for you as I did.

“ Toni was greatly respected at Carson Tahoe. She was a leader and a friend. I know she will be missed by all. We all spent many a night with Toni catching up on each pt when she made rounds. Toni made a point of always knowing what was going on with each unit and the pts. She has a special place in our hearts here at CTH. Via con dios my friend. Marilyn Beaudette

“ *When we first moved to the area and started working at Carson Tahoe, Toni was the greatest of friends, confidant, at times a mother, and so many more things to so many people. She was a true inspiration who never shied away from telling you the truth or sharing her many years of wisdom. She was loved by so many and will truly be missed. Trish and Donald M.*
