

## Michael Arthur Springmeyer

November 29, 1943 - November 23, 2020

Michael “Mike” Arthur Springmeyer, 76, of Carson City, Nevada passed away Monday November 23, 2020. Mike was born November 29, 1943 in Reno, Nevada. He was adopted at six weeks old and raised by his parents Clarence Springmeyer and Juanita (Lowe) Springmeyer.

While Mike grew up in Nevada he spent the majority of his life in Colorado where he met and married his wife Sharon Springmeyer, she preceded him in death this past August. Mike and Sharon owned a black walnut orchard in Fruita, Colorado, and he loved harvesting the walnuts and selling them at a roadside stand every fall. Mike and Sharon shared a love of animals and always had a house full of them. He enjoyed fishing, was an avid Denver Broncos fan, and loved to give everyone a hard time. Mike always had a zinger to throw your way and that is how you knew he cared about you. He will be greatly missed by his family and friends.

Mike is survived by his daughter Brenda (Springmeyer) Lawrence, son Christopher Springmeyer, son John Springmeyer, step-son Michael White, step-daughters Dawn (White) Reske and Sandra White, four grandchildren, and four great-grandchildren.

Service arrangements are temporarily on hold due to COVID-19.

“ *When we moved to Carson City, even though my dad has already passed, you became not just my father in law, but my dad as well. I remember working so hard at Pick n Pull learning my car parts and you and I discussing and quizzing me even when I was out with cancer surgery you helped me keep my mind active with the parts and how they worked a car. When I went back to work I passed my parts one test and got a raise and you pulled me aside and told me that you were very proud of me. From that day on we watched car shows and you'd quiz me still on different car parts to help me through to my next test. I became the first person at the entire plant to pass all 3 of my parts test. Thank you dad. Our time together will forever be in my heart.. Rest well and I love you!*
