“ *Dear Family & Friends of Otis,  
I am so very sorry for your loss and it is my prayer that you can find peace in knowing that Jehovah God promises to swallow up death forever, and wipe the tears from all of our faces that are the result of such painful losses such as yours. Isaiah 24:8  
Sincerely,  
Helen*

“ *I have wonderful recent memories of working with Otis in therapy helping him to recover to return home with family. He shared with me words of his Choctaw wisdom and beliefs. He told me of his good life and the peace that he felt. It was a true honor to have met him. Debby O.T*

“ I had the opportunity to work with Otis for a short time many years ago. It has been a privilege to have known him all these years he was a very special person and I consider it a honor to be able to call him my friend.

*I have waited on Otis and his wife for years at the Nugget. They were a favorite of every one who knew them and always left us with a smile. I will miss not seeing him.*
