The boys were raised in a military family and moved frequently around the United States to England settling in Southern California after their father's retirement. Pat grew up enjoying all sports. He attended Cerritos Jr College and received his AA degree in 1972, and was President of his fraternity, Upsilon Omicron. He finished off his college education at San Diego State earning a BA in 1975. A lasting legacy for Pat was his involvement in the formation in 1974 of the Downey Destroyers. Simply put, a fabulous group of lifetime friends and their families who committed to sharing their lives together and making this world a better place. Pat moved to Carson City in 1988 and opened JJ's Ear Candy. He loved meeting new people and easily formed lasting relationships that he cherished through the years. Pat became a realtor in 2006 and enjoyed working with a lot of people, especially with Sharon and Evelyn at the Pioneer Real Estate Center. He was a natural because of his easy going friendly nature. Pat's life was made complete with the love and happiness he shared with his wife Shirley and son's Michael (Rachel) and Aaron (Brandy) and his five adorable grandchildren, Whittaker, Airalyn, Sierra, Emberlyn and Camryn. The family is grateful to A Plus Hospice for their loving care, especially Wanda.

“ *Pat leaves a big hole in the Destroyer family. Much love to Shirley and the boys and all who will miss him. He was a special person who I always enjoyed.*

“ *I would like to express my condolences to the family and friends of Patrick Conroy. While words fail to capture the pain of losing a loved one, we look forward to the time when words will fail to capture the joy of having our heavenly Father, Jehovah, return your dear one to you. May the Lord, Jesus Christ himself and God our Father who loved us and gave everlasting comfort and good hope through undeserved kindness, comfort your hearts and make you firm. (2Thessalonians 2:16,17)*
