“ *Polly was our neighbor in Minden for over 20 years. She was a kind and gentle woman who loved her family beyond measure. I cherish our talks and time we were able to spend together these past few years. God Bless.*

“ Polly Gallagher is my mother in-law and I would like all who read this to know that she was one of the most wonderful women I have ever known. This must make me one of the luckiest son in-laws ever. I thank God. She was kind and caring. Certainly wonderful qualities for a nurse. She was generous to a fault, never one to hesitate to help family members and friends. Her unqualified kindness came from her genuine, well grounded upbringing in Northern Maine. I love her will miss her greatly.
