“ *Ralph and I enjoyed singing with the Chorus of the Comstock. We always kidded each other about our first names. Ralph, if the Lord be willing and the creek don't rise we'll meet again in heaven.*

“ Ralph and I worked together at the old CTH and he was a true friend. His great sense of humor, stories, and contagious laugh kept me going each long day at work. When I left CTH to marry, Ralph attended our wedding. Ralph supported my husbands inventions and patents with Magic Sheet and Speedy File,(which unfortunately we had to sell those patents)..but, as I say..Ralph supported (not financially...but as a caring friend..hoping to see them "get off the groun.)

When my husbands health declined and when he passed away..Ralph would always offer a huge smile to me whenever he would see me, and ask "Can I do anything for you,Judy? If you ever need anything call me!" Ralph was a forever friend. When I relocated to OR 4 yrs ago, I never stopped thinking about my friend Ralph...and I will always keep him in my thoughts...and his family in my prayers.

R.I.P. Ralph...and thanks for the fun memories, and for always being a true gentleman and friend!! Dance with the angels!!

“ Ralph is/was a very good friend to not only me but to my family. During my darkness hours with treatment with cancer, Ralph was always there in person or by phone with his support & true friendship.

“ *Uncle Ralph was the best Uncle a girl could have. He was fun and loving and I will always cherish the wonderful memories I have of him. My parents would take us every summer on Amtrak to Reno to visit Uncle Ralph and his family for two weeks. We used to have a blast. Uncle Ralph is my angel now along with Great Grandma Adams. God, you gained a wonderful man and I look forward to seeing him again and walking the streets of gold with him and Great Grandma Adams when I get to Heaven. I love you Uncle Ralph.*
