

Ralph J Thomas III

October 3, 1962 - May 5, 2012

Ralph went to be with Jesus May 5, 2012. He had fought lymphoma for the last 3 years.

He was born in Sacramento, California October of 1962 to Ralph Jr. and Shirley Thomas.

Ralph moved to Carson City 13 years ago. This was his home. He loved to go off road and see the beautiful country side. His hobby was RC cars. He loved serving and being part of his church. He was a warm and caring man always going out of his way to see to the needs of others. He was a devoted father and husband. Even through his battle with cancer his family knew that that they came before all, second only to his Lord and Savior Jesus Christ. His involvement at church was a must. He was always surrounded by those he was sharing a story with or someone he was sharing faith with. Ralph loved to sing and praise the Lord. He would be at every activity if at all possible, whether it be picnics, choir, plays, or the teaching Service. Ralph had a heart to help others and wanted to do so much more especially in regards those battling with any and all kinds of illnesses. Last year when his health was

better he approached our pastor to begin a group to support and assist those dealing with cancer or those helping in that care. The group has been on break since Ralph became too weak to continue. His heart was more willing than his body would allow. It is our prayer that we will continue this after we grow through these times for a season. "Our Shepherd's Care an encouraging walk through Psalm 23" was very important to him and our entire church family

He was preceded in death by his father, and half-brother James. Ralph leaves behind a beautiful legacy. His children are: Cassie Thomas of Reading, PA, Jenny, Ralphie IV, and Josiah Thomas of Carson City, NV. He is also survived by his wife Angie, mother Shirley, Sister Diana, brothers Gary and Dale, his nieces Tanya and Michelle, and nephew Travis.

“ *I miss you so much. You meant more to me than anyone on this earth, and I am so lost with out you. I am better for having had you in my life, I am so blessed that you chose me to be your wife and the mother to your children. I am happy you are no longer in pain and that you are with Jesus. So I guess you already know if you dance for Him, or just fall down in awe :)I can't wait to find out when I see you again. All my love.*

“ *Ralph was my uncle, I grew up with him as my prominate father figure my whole life. I will miss waking up in the mornings to his steam rollers, our nickname for each other "butt head" and just his happy go lucky sprit. I recently got engaged and I am happy that I was able to tell him that he would have been the man I wanted to walk me down the isle, but I know he will be there in sprit. I love you uncle, you will be missed and deffeninatly not forgotten!! Xoxo - Tanya a.k.a butthead.*

“ *My brother Ralph was my best friend in life and will continue to be my best friend. My brother Ralph taught me how to love other people because he was such a loving man. He taught me the values that I have today. I can never fill his shoes because his feet was one size bigger than mine but I will try to do the best that I can. My heart goes out to Angie and the kids. I will try to be the best uncle I can. Ralph you will always live in my heart and one day I will meet you again. You are my strength and my rock. I will see you again. Love Gary*

“ Ralph was my neighbor. But even more he was "MY GOOD GOOD FRIEND." I will miss our "meeting of the minds" as he would call it when he came over for coffee in the morning. Ralph also was one heck of a good cook! He loved his family soo soo much and was one of the proudest and best fathers i knew! The man knew how to race those r.c. cars also as he would tear up the dirt in his front yard and race it down the street. Ralph my good friend your in a better place now. NO MORE SUFFERING! Angie and family please know we are here for you for whatever you need if we can help? I'm really really sorry we can't be at his celebration of life, however i will have my own celebration of his life as we head to my wife's family reunion. We can't really miss this reunion as it has been planned for quite sometime and this will probably be the last time my father in law get's too see some of his family. I can't keep my wife from going to this. I know Ralph would understand as does his wife and family. I REALLY MISS YOU MY GOOD FRIEND. MAY YOU BE RESTING IN PEACE AND MAY GOD BLESS YOU ANGIE AND ALL THE FAMILY.

“ This war hero had it all together. He cared for others more than himself. Even when in pain, he would visit other patients and cheer them up. God blessed us when he placed Ralph in our path. He loved his family more than anything.
