

## Raymond Pieretti

October 20, 1943 - January 7, 2015

Raymond (Ray) Pieretti passed away January 7, 2015 in his home in Carson City after a lengthy illness. Ray recently moved back to Carson City after living most of his adult life in Reno and Sparks.

Ray was born to Eugenio, an Italian immigrant, and Natalina Pieretti on October 20th, 1943.

He was preceded in death by his parents and his brother , Eugene, of Jack's Valley. Ray is survived by brothers, Joe(Kay) and Jack of Carson City, Jerry (Deborah) of Washoe Valley, Dave(Sigrid) of Granite Bay, CA, his sister Loretta of Carson City, and brother-in-law Ken Fields of Dayton, as well as, many nieces, nephews, and cousins in Carson City, Reno, Sparks, Granite Bay, CA, Clovis, CA, and Santa Barbara, CA.

Ray attended primary and secondary schools in Carson City and the University of Nevada, Reno. During and after college he worked in the banking industry and also consulted.

Ray had a real passion for hunting and fishing and he particularly liked a rare Munsterlander breed of hunting dog which he drove non-stop from Reno to Madison, WI, to pick up. He and the Munsterlander entered many competitive chukar and pheasant shoots in the Northern Nevada area. Ray spent much of

his time fishing Davis Lake, Frenchman's, and Pyramid Lake in younger years. He also enjoyed fishing the Delta near Rio Vista for Striped Bass and Salmon.

Ray was a member of the Nevada Air Guard and his unit was activated for a year during the Pueblo Incident involving North Korea.

Ray also loved to cook and was member of the Sparks Sons of Italy and the Italian Benevolent Society. Over the years he helped cook Italian dishes for their community events as well as to socialize with family and friends.

“ For many years, we all called Ray "the good son" because he lived next door to Jack and Ted's mom and was so kind to her. They often enjoyed dinner and Jeopardy together. We all loved his dogs, too! Ray kept an eye on Gram and it was a comfort to know he was always close by. I'm sorry we did not know he was sick. Thank you to the Pieretti family for sharing Ray with all of us--especially Gram! She loved him.

“ I enjoyed working with Ray at First Interstate Bank. In the last few years Ray rented our duplex and we had several enjoyable dinners together with Gloria as hostess. We enjoyed hearing about the trials and tribulations of his new dog Kotcha. We hope she gets a great home where someone will appreciate her talents. Thank you to you his supportive family during this past trying year.

“ We were very saddened to hear the passing of Ray. I met Ray while working for the bank, before knowing his brother was married to Jim's cousin Sigrid. He was a good friend before he was family. He taught me a lot about people and how to treat them. And I know as the years passed he was a wonderful friend to many. May God bless you Ray...until we meet again..

“ I worked with Ray for many years at First National Bank of Nevada. We were pretty close friends until my wife Judy and I moved to southern California. He was a lot of fun to hang around with and I will always remember our once a month all night poker games. I hadn't seen Ray in quite a few years. We had lunch together in 1995 and then lost touch. God bless you Ray. I will miss you.

“ We are so sorry to hear this news. Larry remembers Ray as one of the most intelligent students in the class of '61'. Larry is so glad he was able to visit with Ray at the 50th class reunion. Larry will remember Ray's quick wit and dry sense of humor.
