Do not stand at my grave and weep

I am not there, I do not sleep

I am a thousand winds that blow

I am the diamond glints on snow

I am the gentle autumn rain

When you awaken in morning's hush,

I am the swift, uplifting rush

of quiet birds in circled flight.

I am the soft stars that shine at night

Do not stand by my grave and cry

I am not there,

I did not die.
