“ *Father in law Bob was one of the last of the Good Guys. He was always there for Cleve and I, willing to help with whatever we wanted to accomplish. I will miss having him in our corner. He had a big heart for all his kids and grandkids and kids in laws. I learned so much from him about honesty and generosity. His presence will be forever missed.*

“ Bob was one of the nicest men I have ever met! I know he enjoyed researching "things" on the computer because he did that for me a few times. I would not have my TV antenna if not for him. He enjoyed Rose Marie and you could tell by being around them how much they loved each other! I never heard him complain about anything - even when she brought Oreo home. He was a kind hearted man and I am blessed to have met both of them. I know Bob is with the Lord with lots of energy and no pain. I plan on seeing him again one day!
