“ *It was such an honor to know Roy...often he would stop by my office to say hello...always smiling...always filled with good stories of his recent travels or of trains!*

My son Ryan shared his memories of times Roy took him and his best friend Matt out fishing in his boat...he has many very good memories of those times. Roy always enjoyed teasing me about my "undercover car" ...a plain white vehicle that I drove after having a bright red Volvo convertible! My heart goes out to his family and friends...Roy will be greatly missed by all who knew him and whose lives he touched. I just feel very blessed that he touched ours.

“ I have known Roy since the '80s when he worked at the prison. I lost touch after our jobs no longer connected us but I got to know him again after I met his daughter and grandkids in Carson. We camped with Roy and I learned of his love of trains. He was a good man and will be missed.

“ Roy was a good friend of my husband David. He and Roy were football referees together for over 20 years.

Roy was a good guy and very thoughtful. When David became ill, Roy called often and took Dave to some of the football games. It was Dave's favorite outing.

I know Roy will be missed very much by his family and friends.
