“ *Tanner, I miss you. I love you today will be a tough day for me as you know this is your 30th birthday. You were so big and beautiful, I loved being your father. I had such wonderful times taking you to Royal Rangers, camping and just being there for you. Until we see each other again and have a Happy Birthday!*

“ *I still can't believe Tanner is gone. Since January, I have been hearing a song from a long time ago called Forever Young. I have been hearing that every day, that song is in my dreams and always in my head. I don't know why I am hearing it, maybe Tanner is trying to reach me or something. When I hear that song now, I become saddened and wish Tanner would come back. I still have way too many questions and no answers. Tanner was funny and very compassionate about what he likes. I will always miss him and he will be Forever Young.*
