Obituary for Theresa Ellen McDaniel (Morrison)

Theresa McDaniel passed away on December 30, 2021 due to a number of health related issues. Theresa was born in 1949 in St. Louis Missouri to Elizabeth (Leonard) and Robert (Bob) Morrison. Born into a military family she traveled extensively while growing-up until finally ending up in the San Francisco Bay Area where she completed her first two years of college at De Anza Community College in Cupertino. She would go on later to get her Bachelor's Degree in History and Business from University of the Pacific in Stockton. She married Jeff McDaniel in 1972 and they remained married for over 49 years. Their only child Amelia was born in 1979. Theresa was a social worker in Stockton California, where she lived for 20 years, and worked for the Boys and Girls Club of Washington DC, when family business took her East. In 2002 she retired to a beautiful home on the Eastern shore of Lake Tahoe where she lived for almost 20 years.

Theresa loved her Norwich terrier dogs Arwyn and Daphne, and walked with them in the forest and neighborhood, and spending time with her family at home. She was passionate about reading and always had 2-3 books in progress at the same time. Her time with the BB Book Club, their meetings and discussions, while having a glass of wine, were always her favorite. She could never stop talking about the wonderful ladies in her Club. She enjoyed traveling especially France and Spain, but loved Lake Tahoe and the majestic views of the Lake out of her family room window. Nothing excited her more

than a good PBS murder mystery or almost any English period film. She is survived by her husband Jeff, daughter Amelia, son Stephen Cervantes, younger brothers Tom and John, and her grandson Ian. May she rest in peace.
