“ *This breaks my heart a Tim was what I considered my best friend. I was stationed in Korea 88-89 with Tim. He and I were also stationed in Vietnam at the same but did not know each other. While stationed a Osan he was the enlisted Exec to the 7th AF/IN and I was the first Enlisted Exec for the 6th Tactical Intel Group. We shared many an adult beverage together. Tim and I became brothers. I lost contact with him the past couple of years. Tim was a good guy that my wife Pat and I will miss. Send me an mail at lsusarge@gmail.com if you would like.
