

Wayne Anthony Bachand Jr.

October 14, 1955 - April 10, 2014

Proud owner of Nevada Seating and Mobility left this earthly world. He touched many lives for the better; Wayne had a wondrous mind, a magnanimous heart and was a rock to many. He was proud to be a veteran and loved helping veterans or anyone in need.

He leaves behind many broken hearts. His wife, Catherine and her mother Bonnie, children John and Christopher Bachand-Holsinger, Jarrett and Jerika Dunn, Ashleigh and Maren Henry. His brothers Raymond and William; sisters Loretta and Margaret; as well as many other family members, dedicated employees and too many friends to name.

He loved his life in Silver City, NV and was so proud to play the bass with the High Street Boys and others in town.

“ His wife Did NOTorn his passing because she jumped into bed with my husband days after he passed and took pictures of them in bed together. She doesn't care about destroying a family and 3 kids and one with disabilities. You only know one side of the story. I lost my career because he couldn't take care of his sick child. He never took his kids on vacation. His wife had to leave a working interview because his mommy was sick which my father paid for her to be here. You have no idea.

“ Dear Family & Friends of Wayne,
I am so very sorry for your loss and it is my prayer that you can find peace in knowing that Jehovah God promises to swallow up death forever, and wipe the tears from all of our faces that are the result of such painful losses such as yours. Isaiah 24:8
Sincerely,
Helen

“ I appreciated all the help and caring Wayne showed our veterans. He was an awesome person filled with laughter and a zest for life. It saddens my heart to have heard that he is no longer with us. Sending prayers to his family members.

“ You will be sorely missed in the disabled Veterans community bro. Your skill and dedication has helped many a Vet be able to get out and around. Your shops were #1. The gap that has been left will be hard to fill.

Rest easy and Vaya con Dios my friend.

“ In ths short time I knew Wayne, he struck me as a very caring person with a very big heart. He was genuine,real,and it was refreshing to spend time with him. He had the playfulness and spirit of a kid. I wish that we could have spent more time discussing music - which was, an enduring love of both of us. Wayne is with me in spirit, and he still touches me in a special way. I will never forget him. Wayne I miss you. R.I.P fellow Rock 'N Roller
